

- I'm wishing that one day you'll miss me terribly, that's no matter how hard you look for me, you wont find me.. Why? Because I want you to miss me the same way I'm missing you.
- The word HELLO means:
  - H – How are you?
  - E – Everything I hope is alright
  - L – Like to hear from you
  - L – Love to see you soon
  - O – Obviously, I miss You!
- Can't give you a kiss coz you're to far.. Cant give you a hug for we're miles apart and it seems I couldn't give you my heart.. coz it's been with you right from the start.
- Nobody teaches a FISH to swim..  
A BIRD to fly..  
A TREE to grow  
And nobody teaches me to remember you.  
I Just do.
