

- The world is no longer a romantic place. Some of its people still are however, and therein lies the promise. Don't let the world win..

John Cage (ALLY McBEAL)

- I'll search for your hand in the cold winter, I'll reach for your hand in the heat of summer but if my short life can't reach the dawn of spring. I promise, in heaven.. I'll reach you with my wings...

- Are we friends or are we not?

You told me once but I forgot.

Of all the people I've never met.

You're the one I can't forget.

And if you die before you do,

I'll go to heaven and wait for you!

- If loving you is wrong, I don't want to be right. If being right means living without you, I wanna be wrong for the rest of my life.

- If love can be avoided by simply closing your eyes, I wouldn't blink at all for I don't want to let a second passes having fallen out of love with you.
